

Katrin Hand Towel Dispenser S

88966

- The Katrin hand towel dispenser S has been especially designed for low-traffic and small washrooms.
- Open, flexible concept as a long-lasting dispenser solution for all conventional folded hand towels.
- Controlled consumption thanks to sheet-by-sheet dispensing.
- Free choice of locking function (with or without key).
- Transparent rear panel for easy installation.
- Transparent sides for fill level control.
- For easy refilling – even in tight spaces – the hand towel dispenser S can be opened from top down.
- Main raw materials of the main plastic parts and the lock: ABS (acrylonitrile butadiene styrene), PC (polycarbonate), POM (polyoxymethylene).
- Katrin Inclusive dispensers are resistant to high temperatures and comply with UL94 fire protection regulations (EU).
